## About Christopher Jordan

Christopher Jordan composes instrumental music incorporating everything from frequencies from within the solar system, to binaural beats, and even brainwave frequencies. His soothing and calming music is designed to help listeners relax and each track is designed to be used as a tool for meditation, and to help listeners reach deeper levels of relaxation and self-exploration.

Creating music and soundscapes, Christopher's unique compositions have been used as background music for meditation albums, corporate events, as well as a unique series of meditation videos. With his compositions ranging from meditation and frequency therapy to avant-garde, and even electronic/lo-fi in his incarnation as the artist [No Disassemble](#).

Christopher is the host of the [Curious Realm](#), a podcast that explores interesting and unusual topics related to science, technology, history and culture. Christopher creates informative and entertaining episodes that delve into various topics such as ancient civilizations, conspiracy theories, and futuristic technologies, interviewing experts, and exploring these topics in greater depth. Known for his engaging presentation style, making complex topics accessible to a wide and ranging audience. He also hosts the [Talking Sound podcast](#), providing coverage of the best of analog and digital technologies in the field of audio and video production as well as application of these technologies in the field and the studio. Christopher is also the founder and head of the [HC Universal Network](#), a network providing distribution for podcasts of varying genres.

A live audio/video engineer for over 20 years, Christopher is the owner of [HC Productions](#) in Austin, TX providing audio/video technicians for corporate events as well as audio/video editing and custom content creation.

### **ALBUMS**

#### **[Pranotthana](#)**

*Pranotthana: Prana* is the vital, life-sustaining force in the body. Uplifted, or intensified life-energy is called *pranotthana* and originates from a reservoir of bioenergy at the base of the spine. This energy is also interpreted as a vibrational phenomenon that initiates a period, or a process of vibrational spiritual development.

Utilizing binaural beats as well as pure tones of the frequency of each chakra embedded under relaxing natural sounds and music, this album is designed with meditation and spiritual awakening in mind.

#### **[Video Sample](#)**

#### **[Music for Targeted Minds Vol 1](#)**

Music for Targeted Minds, is an hour long composition of music set to brainwaves and binaural beats formulated to help those suffering from targeting technologies and weaponry known as "Targeted Individuals". Through the use of rare Earth binarual beat frequencies ad well as frequencies to help counteract brain fog, regular use of this track will help the user find restful sleep and a peaceful mind.

#### **[Music for Meditation and Cosmic Journeys Vol 1](#)**

Music for Meditation and Cosmic Journeys is a collection of music set to brainwaves and binaural beats formulated for practitioners of frequency therapy, meditation, remote viewing, and astral projection.

#### **[Puer Ad Somnum](#)**

Puer ad Somnum - Latin for Go To Sleep Child

This track is designed specifically for infant sleep cycles with calm lulling music as well as binaural beats of Delta wavers embedded into the background to promote and encourage the brain into deep healing sleep through the principle of physics known as entrainment. Also embedded into the background is the sound of a inside the womb...the sound that comforted us all for the first part of our lives. Use this track to play to your child en utero, while in the birthing room or on repeat in your child's nursery to assure long blissful periods of blissful slumber. This track is even great for adults who want a deep meditative experience or have troubles sleeping.
